COMPETITION FORMAT

The competition will be run as Multi-class Direct Finals. The 3 impairment types will be swum separately where possible.

Only events that meet the Event Viability Criteria outlined below after the Entry by Name will be included in the Final Event Programme. Sport classes without a viable event will be able to "swim up" to the nearest single class event included in the Programme. These sport classes will be considered Eligible Classes for the respective single class event, and medals will not be allocated separately for these Eligible Classes.

Events that are still not viable after combining classes will be swum out of the programme for performances only. These events may be swum at the same time as that event in the other age category if there are empty lanes.

VIABILITY OF EVENTS

Individual events will be considered viable if they have a minimum of four (4) eligible swimmers from two (2) NPCs entered through the Entry by Name. Relay events will be considered viable if they have a minimum of four (4) eligible NPCs entered through the Entry by Name.

After final entries the programme will be final. Any class changes after Classification will not affect the programme. However, the “minus one rule” may be applied for medal purposes.

ATHLETE ELIGIBILITY

To be eligible for selection by an NPC for Youth Games swimmers must:

- Hold an active World Para Swimming license for 2025 season
- Have a sport class status “New” (N), “Review” (R) or “Confirmed” (C).
- Comply with the APC Nationality Rules and the Rules and Regulations of WPS
- No Minimal Qualification Standard (MQS) is required.

MAXIMUM ENTRY per NPC

- An NPC can enter a maximum of three (3) athletes per individual event/team event. If there i s more than one eligible class in the single sport class event still only a maximum of three (3) swimmers per each eligible sport class can be entered.

QUALIFICATION SYSTEM

This Games is an OPEN ENTRY SYSTEM to help encourage more athletes to attend the competition so that no MQS or ranking point will be necessary for the Dubai 2025 Asian Youth Para Games
